REUNION 1995

Plans are underway for the 1995 Reunion to be held in Winnsboro, South Carolina. The Saturday night banquet is tentatively scheduled for the New Hearld Restaurant. We are awaiting confirmation on this. Rooms can be booked at the Fairfield Inn Motel. They must be booked by June 15 to be guaranteed. Please mention the "Gladney Reunion" when calling. The phone number is 1-800-292-1509. The Lamp Post Cafe is within walking distance of the Fairfield Inn and is open 7 days a week. If there are no rooms at the Fairfield Inn, there is a Days Inn about 1-2 miles from there. The phone number is 1-803-635-1447. There should be plenty of accommodations for everyone.

MARKERS

Plans are progressing for a dedication ceremony on Saturday morning, July 29, 10:00 a.m., at the cemetery. The markers have been purchased and should be installed for the ceremony. The dedication will be presented by the Thomas Woodward Chapter DAR of Winnsboro, on behalf of the Mary Blount Chapter of Maryville, TN. Virginia Ivens has done a lot of work towards the placement of these markers. Unfortunately, we do not know when the paperwork began, however, we do know that Crystal Wellborn Gregg was involved in the beginning of this project. Crystal also started paperwork to mark the graves of some of the patriots. We send a very sincere THANKS to these ladies for all of their work so that we may all remember our ancestors and their many struggles.

NEWS

We would like to thank everyone that has sent a donation to the organization. And to those who are wondering, we really don't know if it should be Gladney's as plural or Gladneys as possessive. We have heard from several English teachers and it is divided as to which it should be. We'll probably keep writing it as Gladney's!!

After the last newsletter, we had several returned because of the addresses. Maybe someone can help us with these ----

Rexford W. Gilliam	Blowing Rock, NC
Elizabeth L. Lawson	Palm Desert, CA
Carmen G. Greene	Henderson, TX
Jewel F. Gladney	Lagrange, GA
Mary G. Duncan	Rusk, TX

Some of us are becoming world travelers!! Virginia Ivens told us about her son, Larry, spending ten days in Spain with a group of students from his school. Larry is principal of the middle school at Holy Innocents Episcopal. Later this month he will be spending two weeks in Russia studying their methods of education.

NEWS

Dr. James Gladney and his brother, Dr. William Patrick Gladney, have both retired from the medical field. They now tend to the Gladney Farm and raise beef cattle. James' oldest daughter, Patricia is a Presbyterian minister. For 22 years, she and her husband George Holland have been co-pastors of the Central Presbyterian Church in Waco. This year she has become the interim pastor at the Wellshire Presbyterian Church in Denver, CO. Patricia and George have four children. Another of James' daughters, Dr. Margaret Rose Gladney, is being honored for her recently published book, "How Shall I Be Heard?". Besides these ladies, James and his wife, Margaret, have five other children. Cynthia lives in California, Dr. John practices in Shreveport, LA, Darden is a private school principal, Camille who has three very active sons, and James Patrick who works as the Deputy Clerk of Court for Clairborne Parish, LA.

Dr. William Patrick Gladney has two daughters. They are both school teachers. Paula lives in Heflin, LA and Patsy lives in Shreveport.

Wayne and Betty Gladney of Columbia, MO write that their granddaughter, Sarah, will graduate from high school this June. Sarah has been accepted at Cornell University in New York to study plant research. The twins are in Iowa and Michigan going to school. Elizabeth will be a counselor at Concordia Language Village in Bemidji, MN at the German speaking site this summer.

NEWS

Polly and Cecil have been busy traveling this past year. There was the memorable trip to California where Polly broke her collar bone (now well healed). Other sites they have visited include Hilton Head, NC, Biloxi, MS, Jacksonville, FL, Tennessee and of course all around Georgia. When they were home, they always graciously opened their door to visitors from all over the U.S.

Polly tells us of the passing of Cecil's cousin, Opal (Heath) Jennings. Opal's mother, Mandeuille (Gladney) Heath was the sister of Cecil's father, Sam Gladney. Opal was 83 and a beautiful lady in every way.
