

GLADNEY ROSE GARDEN

MISSOURI BOTANICAL GARDEN

The Gladney Rose Garden is one of two large rose gardens at the Missouri Botanical Garden. The Gladney Rose Garden is shaped like a large wheel

with over 250 varieties of hybrid tea and floribunda roses. Many climbing varieties of roses are displayed on the fence surrounding the garden. The peak view time for the garden is early summer through autumn. The garden has received the Certificate of Achievement for Outstanding Maintenance from All-America Rose Selections.
