President's Page by Larry Ivens

Hello Gladney Cousins,

For those of you who do not know me well, please allow me to introduce myself. I am from the Samuel line and my grandmother is Ruby Pearl Gladney (page 24 of the red book). Although I grew up in East Tennessee, most of my grandmother's immediate family lived in the Wedowee/Roanoke, Alabama area. I currently live in Bloomfield Hills, Michigan, and I am Headmaster of Cranbrook Kingswood Middle School for Boys. I attended my first Gladney reunion in 1993, held in Winnsboro, SC, and have missed only one since. My mother, Virginia, and I have always enjoyed history and genealogy. She is the person who encouraged me to get involved in our family association.

For the past nine years, I have had the pleasure of serving as Vice President of Gladneys In America with President Bettye Bond. During her presidency, so much was accomplished for our Gladney Family Association. Through Bettye's efforts and under her guidance, the Gladney Family Association entered the computer age. An electronic data base containing the family's genealogic records and a family website were created. Both have provided our family members with more accessible information. I have always been amazed by Bettye's enthusiasm and energy in each task she undertook. I have benefited from her organization and energy as she has facilitated my transition into the role of President. I am very grateful.

The annual family reunion is an important event for our association. In addition to renewing family bonds, the reunion always offers us an opportunity to visit interesting locations of significance to our family. Charleston, the place where our forefathers first touched American soil, was no exception. Our wonderful

CATHY'S CORNER

While in Charleston for the reunion, my family and I discovered a new, refreshing treat. It was hot in Charleston, no surprise. I had a hankering for ice cream. Not being familiar with the area yet, we decided to ask someone where the nearest ice cream could be located. We saw a lady sitting by the fountain eating the most delicious looking ice cream. She told us where she purchased it and even gave us the simple walking directions.

My husband and I walked the few blocks to Paolo's Gelato store. There was a large electric blow-up ice cream cone beside the street to indicate that we had reached our destination. When we entered, there were a few patrons ordering the delicate dessert. Paolo himself was at the counter. There were several flavors of Gelato available and I wanted to hear the other patrons pronounce the flavors which were all in Italian. Above the counter was a television playing a taped segment of Paolo when he appeared on "On the Road with Roker", a Food Network presentation with Al Roker. There was even a Pet Bar outside with cool water for Fido.

Paolo is a very friendly person but he was rather perturbed when one person ordering said she wanted a "scoop" of "ice cream". In case you ever order Gelato at Paolo's, please do not order a scoop of anything. He does have cones available but, the tradition is to serve Gelato in a cup. As Paolo said, "It's the Italian way".

We liked this place so much that we took my son, Kevin, and his wife, Jessie, the next night. Then, we went again the next night and the next. After Kevin and Jessie left for home, we stayed a couple of additional days and visited Paolo two more times.

Paolo has a second location in the Virginia Highland area near Atlanta. We have already made our way to this second store. We missed seeing Paolo as he was arriving from Charleston the next day. Both stores have a piece of paper hanging near the door where you can request your own flavor. You will be emailed when that flavor is made "Just for You". If you ever get the chance, visit Paolo in one of his trendy stores. The Gelato is wonderful. www.paolosgelato.com

2007 Reunion—Winnsboro, SC

The 2007 Gladney reunion will be held at the Fairfield Motel in Winnsboro, SC on July 27-29. Judy Whitsell and her mother, Lucille Gladney, have graciously agreed to be our hosts. A block of rooms has been reserved for our family at the rate of \$44.99 per room. All reservations should be made directly with the hotel. Call the hotel at 803-635-3458. Any rooms not reserved by July 1, 2007 will still be available. But, they will be charged at the standard rate.

This inquiry was received by Bettye Bond. Bettye requested that it be printed in the Gladney Gram. Please contact Ms. DeHart directly if you have any information regarding her inquiry.

Mrs. Bond,

I am the granddaughter of Wyatt W. Gladney son of Joseph and Rosa Bean Gladney. I visit your site often. I have really enjoyed all the information I have found here. With your directions on the site my mother and I were able to go to the family cemetery in SC a few years ago.

My grandfather died when I was still a young girl and I missed so much hearing about his family. I found this picture in my grandmothers pictures and I hope you may know someone in the family that could tell me who the men are with my grandfather, all my mom knows is that they are his brothers.

(Continued on page 9)

WYATT W. GLADNEY (Continued from page 8)

My grandfather Wyatt Gladney is the first one on the left. This picture was taken at Wyatt's house I think in the late 1950's.

The next picture my grandfather is on the wagon back and his father is standing by the wheel with a gun. Mom remembers only these two.

I am looking for a family member who may can tell me a little about Joseph & Rosa Gladney and their children. I have the names and dates but in the research I am doing for my children I want to have something more for them to enjoy. Any story about the family would be great. I do not know how to get in touch with anyone and I am hoping you may know someone that could help me. Also, I am looking for any pictures of this family.

Thank you very much,
